The Board of Barbering and Cosmetology will only recognize time-clock punched hours of attendance. As a result of this requirement, this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of the class day and lunch period.

A thirty (30) minutes lunch break shall be taken when a student attends a 6-hour class day or more.

The half hour must be deducted from your daily total and you must clock in/out on your time card for the lunch break. At the completion of the day, your time card is prepared from the current weekly time card.

If you are attending less than a 6-hour class day you may take a fifth-teen (15) minutes break.

The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior Column on the weekly time card. The time card must be signed by the student and the instructor daily. Instructors may not sign a student in or out for lunch.

A student who does not clock in or out at lunch, 30 minutes for lunch will be automatically deducted.

After clocking in, you are required to maintain theory/demonstration, clinic floor operations and practical class hours in order to be credited for applied effort. Time cards reflect the student's daily record of hours and operations. It is important that all your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your time card, so that the hours and operations are transferred correctly to the roster. The time cards are the property of the school and must remain in the school at all times. Time cards must be retained and stored in their entirety for 6 years by the school.

TIME CARD CREDIT

The following is a guideline for the instructor to issue credits.

1. Each theory must be initiated in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
2. The portion of the timecard reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated.
3. The portion of the time card concerning operations is to be applied to the efforts of the student as they manually perform practical subjects.
4. Some practical operations may take longer to perform according to the student's skills.

Note: the following time frame the program gives for each operation: Examples

Wet/ Thermal Hairstyling= 1 ½ to 2 hours Haircoloring = 1 ½ to 2 hours

Scalp Treatment = ½ to 1 hour Facial = 1 ½ to 2 hours

Permanent Wave = 2 to 2 ½ hours Haircut = ½ to 1 hour

Manicuring / Pedicuring = ½ - 1 hour Facial Makeup – ½ - 1 hour

Using the above, the Board would understandably not consider a student capable of performing more than three permanent waves per day.

Personal grooming, leaving the building, reading material not related to your training or activity are not tolerated. If any of these occur, you will be asked to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in a written probation or termination.

PROGRESS POLICY

Considering the varied capabilities of individual students, some may progress from one phase of training to another at a more rapid pace. However, all students must satisfactorily complete all subject matter prior to graduation unless credit has been allowed for previous training or experience in a particular subject area. Successful graduates will be awarded an appropriate certificate upon completion of their training program.

STUDENT RECORD KEEPING

Student records- For all students are kept for six (6) years. Transcripts are kept permanently. Students may inspect and review their educational records. To do so, a student should submit a written request identifying the specific information to be reviewed. Should a student find, upon review, records that are inaccurate or misleading, the student may request that the errors be corrected. In the event that a difference of opinion exists regarding the existence of errors, a student may ask that a meeting be held to resolve the matter. Each student file will contain student's records including a transcript of grade earned.

PROOF OF TRAINING & TRANSCRIPT

The first Official Proof of Training (POT) or transcript is provided at no charge. Subsequent copies are available upon advance payment of the POT or transcript fee of \$25.00 for two copies. POT'S and Transcripts will only be released to the student upon receipt of a written request bearing the student's live signature. No transactions will be issued until all tuition and other fees due to the institution are paid.

Students may make up any missed hours at the discretion of their instructor as long as there is space in the classroom. However, after the scheduled completion date of the program Marmel Beauty Academy Inc. will continue to train students toward the completion of the program for an additional 14 calendar days at no additional cost.

Once the student has exhausted the additional 14 calendar days of training, each additional hour is charged at the cost of \$10.00 per hour. Personal days are subject to these charges.

LEAVE OF ABSENCE (LOA)

Students may experience extended personal, medical or other problems which may make it difficult to attend class. This institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program.

Students who will be absent more than 14 days and are needing an LOA for medical, health, welfare or travel must do so in writing and submit it in advance of the leave.

Occasionally, unforeseen circumstances will prevent the student from requesting a LOA in advance, (e.g.: the student was injured in an automobile accident and hospitalization or recovery required with extended absence). When certain exceptions apply (as with examples given), notification to the admissions office (by phone, fax or email) must be done as soon as possible for documentation purposes.

In such cases, upon return, documentation to verify the need for the LOA will be requested, and signatures will be required in order to extend the anticipated scheduled completion date equally to absence.

Students who are granted LOA's will not be assessed any additional charges while they are on LOA. No refund calculations will be performed during the LOA.

A student may request more than one LOA during their contracted timeframe; however, the cumulative total (number of days) of extended absence days must not exceed one hundred eighty (180) days in a 12-month period.

Students who fail to return from an LOA will be considered dismissed (dropped), as of the last class day of attendance prior to the start of the leave.

GRADUATION REQUIREMENTS

A student who completes the specified program required hours and operations with a cumulative grade and attendance of 75% or better, has paid all financial obligations and completes the Graduate Exit Survey, he/she will be awarded a certificate certifying graduation and Proof of Training for State Licensure. Marmel Beauty Academy Inc. Staff will assist all graduates with completing the necessary paperwork to apply for to take the State Licensing Examination.

SATISFACTORY ACADEMIC PROGRESS REPORT (SAP) POLICY STANDARDS

This institution expects all students to maintain Satisfactory Academic Progress (SAP) as established by this institution, the student must:

1. Maintain a cumulative academic average of "C" (75%) or better on all tests, work projects (operations) and other required course work.
2. Maintain a cumulative average attendance level of at least 67% of the scheduled hours indicated on their enrollment contract. Students that are attending the course programs who have more than 2 weeks (14 calendar days) of consecutive absences will be dismissed.

3. This standard shall apply to all students except for those on a medical, health, welfare, travel or other approved Leave – of – Absence (see LOA policy).
Students with unexcused absences of 14 days or more will be dismissed. In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. Scheduled evaluations are conducted at the end of each scheduled evaluation period to determine if the student has met the minimum requirements.
The attendance percentage is determined by dividing the total hours accrued by the total number or hours scheduled. At the end of each scheduled evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course, which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed. These policies are outlined elsewhere in this catalog.
4. Complete the course within one and a half (1 ½) times the length of the course as defined in the enrollment agreement. For example, if a student has contracted to complete the course within 40 weeks, he or she must complete it within 60 weeks.
5. Students must meet the minimum academic of (75%) and attendance of (67%) requirements at the end of each payment period of the course to be considered meeting satisfactory progress until the next evaluation period.
6. All students will be provided a copy of their completed SAP evaluations form after their SAP counseling.

SCHEDULED EVALUATION PERIODS:

Satisfactory Academic Progress will be assessed at the following benchmarks of scheduled attended hours:

| | | |
|---------------------------------|--------------------------------|-------------------------------|
| Cosmetology 1000 clock hours | Esthetician 600 clock hours | Manicuring 400 clock hours |
| 450 clock hours | 300 clock hours | 200 clock hours |
| 900 clock hours | 600 clock hours | 400 clock hours |
| | | |

For transfer students, the SAP will take place at 50% of the contracted time.
Determination of Students, the SAP Progress Status: Students meeting the minimum requirements (75%) for academics and (67%) for attendance at the evaluation point, are considered to be making Satisfactory Academic Progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Progress Determination at the time of each evaluation period.

WARNING:

Students who fail to meet the minimum (67%) requirements for attendance or (75%) academic progress are placed on warning and considered to be making satisfactory progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period the student has still not met both the attendance and academic requirements, he/she will be placed on probation.

DISMISSAL:

After the completion of the currently enrolled term, the student will have two additional terms to bring his or her grade point average up to or exceeding the minimum standard of the institution. Thereafter, the student’s failure to achieve satisfactory academic progress may result in dismissal from the program. The director will offer assistance in locating a suitable tutor, should such a service be requested by the student. Any student seeking a tutor is personally financially responsible for the cost of all such tutoring.

APPEAL PROCEDURES:

Students must initiate the Appeal Process. Students who wish to appeal the decision that they are not making Satisfactory Academic Progress must submit a written request to the institution's administrator. The letter should be received within (15) days prior to the start of the probationary period (for the evaluation period in question) and must describe any circumstances related to the student's academic standing which the student believes deserves special consideration. The basis that a student can file an appeal:

- a. The death of a relative of your immediate family
- b. An injury or illness of the student or a relative of your immediate family.
- c. Immediate family relatives are defined as Grandparents, Parents, Brother(s), Sister(s), Spouse and Children or other special circumstances.
- d. To file an appeal, you have to have experienced a death in the family, an injury or illness (supported by a physician statement) or other special circumstances that can be documented.
- e. The appeal must also state your own explanation describing the reason for your failure to make SAP and changes made to those circumstances that would allow you to focus and regain your satisfactory status.
- f. The administrator shall evaluate the appeal within a reasonable time frame of (5-10) days and notify the student in writing of the administrator's decision prior to the beginning of the current probationary period.
- g. Should the student's appeal be denied, he or she may appear before a school committee to present his or her case. The committee shall provide written notice to the student of its decision (a copy of the decision will also be retained in the students file) within a reasonable timeframe of (5-10 days). The decision of the committee shall be final.
- h. A student that prevails upon the appeal process, re-entering the program after an interruption of training, or having re-established satisfactory progress, and determined to be making satisfactory progress will be re-entered in the course and be reinstated. Students accepted for re-entering the program that previously were not making satisfactory progress must attain a satisfactory progress status by the next scheduled evaluation.

RE-ESTABLISHMENT OF SATISFACTORY PROGRESS & TRANSFER HOURS

Students may re-establish satisfactory progress by meeting the minimum attendance and academic requirements by the end of the probationary period. Transfer hours from another institution that are accepted towards our current educational program will not impact your current SAP as they are counted as both attempted and completed hours.

INTERRUPTIONS, COURSE IN-COMPLETES, WITHDRAWALS

Course incompletes, repetitions and non-credit remedial courses have no effect upon the student's satisfactory academic progress. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the students cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

GRADING SYSTEM

Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. The evaluation form reflects the overall attendance (measured in actual hours & weeks) and academic progress of the student. Students must maintain a "C" (75%) average to maintain satisfactory academic status. The system detailed below is the system utilized in the school.

THEORY:

Theory or Technical Instruction is the instruction students receive through demonstration, lecture, classroom participation and examination. Theory work will be graded as follows:

GRADE LEVEL SCALE

| | | |
|-------------|---|----------------|
| 90% - 100% | A | EXCELLENT |
| 80% - 89% | B | VERY GOOD |
| 75% - 79% | C | SATISFACTORY |
| 74% - BELOW | | UNSATISFACTORY |

PRACTICAL TRAINING

Practical Training or Practical Operations are the projects, practical operations and services students perform on another person (clients or another student) or on a mannequin. Practical Training work will be graded as follows.

GRADE LEVEL SCALE

| | | |
|-------------|---|----------------|
| 90% - 100% | A | EXCELLENT |
| 80% - 89% | B | VERY GOOD |
| 75% - 79% | C | SATISFACTORY |
| 74% - BELOW | | UNSATISFACTORY |

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period may be placed on probation and considered to be making satisfactory progress during the first probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Progress Policy standards by the end of the evaluation period may be placed on probation. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements, he/she will be determined as NOT making satisfactory academic progress.
